Andrew and Anne:

Andrew, thank you for speaking last week. It was very helpful. I wanted to follow up on two points.

First, we appreciate your representation that you will be providing a further update on the results your investigation and returning documents by the end of this week. Please confirm that this is still your intention. We would also ask that, per our conversation, you provide the information that was requested in my letters.

Second, as noted in the letters, Yipit will of course need to certify that all information has in fact been returned. Accordingly, I have attached certification for M Science, Mr. Roduit, and Mr. Pinsky to sign. We look forward to receiving them along with the other information.

Thanks very much, and let me know if you'd like to discuss.

Best,

Laura
